Manchester Village Voice

JULY 2023

WE ARE ALL IN THIS TOGETHER!

**From Time To Time Equipment
And Systems Fail In Our Respective Buildings.**

For Example:

1 - On Tuesday, June 28, The elevator stopped working in the 2200 building, creating a challenge for all residents, especially for those on the third floor.

Otis Elevator responded immediately... and within a few hours, fixed the problem. The elevator was running again on the same day!

2. At the same 2200 building, we contracted for a new roof many months ago. This project was laden with vendor problems. Air conditioning units on the roof were moved to the side so roofing could be completed. This happened **AFTER** the roofing vendor **assured us they did NOT need** TO MOVE THESE UNITS!

In addition, the electrical connections on the roof that allow the A/C to work were damaged, and in certain cases were destroyed when the units were moved.

Both of these instances required your Board to hire additional new vendors, after gathering three competitive bids, to fix the problems. Manchester relies on these vendor companies to maintain and fix any/all problems that **we cannot repair internally!**

Continued on next page

Further, we need to recognize that our Board Members are **NOT responsible** for vendor problems and issues. We also need to understand our Board Members are **not compensated in any way** for all their hard work. Their main goal is to create the best condominium residential facility in the North Shore.

We continue to receive amazing positive feedback from Real Estate Agents about our Manchester Community...and we should ALL be proud of that!

WE ARE ASKING ALL OF OUR MANCHESTER VILLAGE RESIDENTS...

If there are any issues, please contact the office!

We Are Family... The Manchester Village Family!

We Are Here To Help Each Other And Work Together!

As they say, "A little honey goes a long way!"

JUST IN TIME FOR SUMMER!

PICKLED RED ONIONS!

- 1 MEDIUM RED ONION
- 1 C. APPLE CIDER VINEGAR
- 1T. SUGAR
- 1 1/2 t. KOSHER SALT
- 1 MASON JAR

THINLY SLICE THE RED ONION, AND PLACE IT IN THE MASON JAR. MIX ALL THE INGREDIENTS TOGETHER AND POUR OVER THE ONION. SEAL TIGHTLY AND PLACE IN REFRIGERATOR FOR AT LEAST ONE HOUR. BEST WHEN USED WITHIN TWO WEEKS.
